

## Join [SYNAGOGUE/AGENCY NAME] For A Once-in-a-Century Experience!

Dear \_\_\_\_\_,

We are excited to be joining our Jewish Federation and Greater MetroWest Jewish community for the Centennial Mission to Israel from July 2-10, 2023. Now is the time to register for this historic opportunity. We hope you'll be a part of it!

### What is the Centennial Mission?

We are joining together for a once-in-a-century experience that will honor 100 years of building a vibrant Jewish community in Greater MetroWest and celebrate Israel@75.

The Centennial Mission offers access to some of the most important people in Israel and the opportunity to bear witness to the impact our Federation has on the ground in Israel, plus lots of summer fun including water activities, hiking, wineries, spectacular mega events, a July 4th celebration, and so much more.

### Who should attend?

The Centennial Mission is for all members of our Jewish community ages 21+. People who have never been to Israel before and people who have visited many times will all enjoy many new experiences. One of the greatest things about the Centennial Mission is the opportunity for our congregation to deepen our connections to each other while also making new friendships with others throughout Greater MetroWest. When we experience Israel together, our whole Jewish community benefits.

### What will we do?

It's an impressive and comprehensive itinerary! We'll savor Israel's rich cuisine and cultural diversity. We'll experience an unforgettable Kabbalat Shabbat and Shabbat in Jerusalem. We'll visit our partner communities and learn about the inspiring work we do together. We'll travel together on a tour bus throughout Israel and enjoy powerful special events only available to larger groups. Each participant will also choose a personal track of interest.

### How can we learn more and sign up?

Visit [jfedgmw.org/centennial-mission](https://jfedgmw.org/centennial-mission) for registration and all the information you need.

Let's have a strong representation for the Centennial Mission in 2023 and we will return even stronger.
