Jewish Federation®  
OF GREATER METROWEST NJ  
GLOBAL CONNECTIONS

## START PLANNING NOW - TAKE ADVANTAGE OF YOUR PASSPORT TO ISRAEL

Connect to your heritage and build your Jewish identity. There's no better way to make meaningful connections than to experience Israel for yourself. All Jewish high school students (grade 8 - gap year) who reside in the Greater MetroWest community are eligible to receive a grant from Jewish Federation of Greater MetroWest NJ for travel to Israel on an educational peer group trip. Qualified programs include those organized by a synagogue, school, youth group, or organization for a minimum of 10 days.

**Many programs qualify you to receive a grant. Guidelines apply. Additional need-based funding may be available.**
