

## FEDERATION PROFESSIONALS CAMPAIGN

### United Jewish Appeal of Greater MetroWest NJ

Dear Colleague,

We all contribute so much to our community – creative thinking, careful planning, purposeful implementation, persistent follow-through - and now you are adding so much more with your participation in our UJA Campaign.

More than most people, you know how valued each donation is to our campaign. You know the good it will do; and you know the good that remains undone for each donation that does not reach us. But I know – and wish to express – how valuable your personal participation is in this Federation Professionals Campaign. Here is where we join together with other Greater MetroWest citizens. Here is where each of us and all of us share equally in our commitment to Care, to Build, to Save.

Thank you for joining us.

Dov Ben-Shimon

*(Please type or print below)*
